

The purpose of this assessment is to determine your current core skills levels, (learning, reading, writing, speaking, listening and numeracy) and, identify any areas where further support may be beneficial to help you successfully complete the training and assessment for the course below.

You will be required to complete a series of short activities that demonstrate the core skills that are necessary for successful performance in this unit of competency.

These activities do not form part of the assessment process and shall not be counted towards your performance in this unit of competency.

The outcome of these activities shall be used to identify any possible skill gaps and develop a support plan (where necessary) to help you obtain the skills required to demonstrate the required competencies and perform successfully.
